

Cherry Blossoms

Wake up , wake up wake up
The sun is shining today.
Winter's gone, Spring is here
Welcome to the new day

The City is blooming pink and white
It's such a beautiful sight
Meet me under the blossom tree
Next to the mountains and sea

Cherry Blossoms Whoa Oh
Cherry Blossoms for you and me

Look up, look up, look up
There's flowers all around us
Rise up, rise up, rise up
Come help me sing this new song

Me and you under the Cherry Tree
With friends and family
Take in the beauty of so many blooms
A fleeting moment gone too soon.

Cherry Blossoms Whoa Oh
Cherry Blossoms for you and me

The City is blooming pink and white
It's such a beautiful sight
Meet me under the blossom tree
Come celebrate with me.

Cherry Blossoms Whoa Oh
Cherry Blossoms for you and me

Cherry Blossoms, Cherry Blossoms, Cherry Blo..ssoms
