

2. Another Day goes by
And still the children cry
Put a little love in your heart

If you want the world to know
We won't let hatred grow.
Put a little love in your heart

And the world (**And the World**) will be a better place.
And the world (**And the World**) will be a better place.
For you (for you) And me (and me)
You just wait (you just wait)
And see

People all over the world, join hands,
Start a love train, love train.
People all over the world, join hands,
Start a love train, love train.
